The Tire with the Wider and Thicker Tread

Every One Seems To Know-

It isn't surprising that almost every motorist can tell you exactly why Gates Super-Tread Tires are delivering more miles.

It's so simple! Just a wider and thicker tread more rubber to wear better protection for the inside fabric.

Is it any wonder that everyone understands why they deliver more mileage?

and we sell 'em! BOATRIGHT RUBBER CO.

Why Do You Delay Making A Will?

I S it not enough that some day death may deprive your wife of your companionship and protection, without there being in posed upon her, in the hour of her sorrow, the intricate duties of estate settlement?

A sure way to avoid this and to protect your family's comfort and welfare is to make a will, appointing this company as executor and trustee.

The settlement of an estate is almost always a formidable matter to a woman. To this company, qualified financially and by training and equipment, estate settlement is a matter of every-day business.

Ask for a copy of "Safeguarding Your Family's Future," a booklet explaining the services this company can render you and your family.
